Waukesha Night Out

WAUKESHA, Wis. - After careful consideration, the City of Waukesha Police Department has decided that it will be unable to host the traditional Waukesha Night Out, previously scheduled for Wednesday, August 4, 2021. As a Police Department, we know this is an event that the community looks forward to. There are plans to host the event once again in 2022.

The public will have the opportunity to engage with the Police Department at numerous other events this year including Waukesha Unlocked. As part of the Waukesha Unlocked event for the City's 125th Anniversary, Police Officers and K9 Emma will be part of activities in Frame Park from 10:30-12:30 on October 9. More information on this event is available as part of the City's 125th Anniversary events (<https://waukesha-wi.gov/1919/Anniversary-Events>). In addition, the Police Department will be present at Waukesha Friday Night Live events in Downtown Waukesha throughout the summer.

The decision to not host Waukesha Night Out this year was based on numerous factors, including the lack of vendors interested in the event due to continued COVID precautions. In addition, the Police Department building will be under construction and Police Department personnel will be working from various temporary locations throughout the City. During this time, it would be difficult for the Department to put on an event at the level that the public has come to expect.

The Police Department looks forward to seeing everyone at the Waukesha Unlocked event in October 2021 and at Waukesha Night Out in August 2022.
